MG Tire Update!

Larry Robb generously donated his (rounded up!) profits of \$2000.00 to the club for the 2012 season sales. Please thank Larry in person and by pre-ordering your tires for the 2013 Season. You can contact Larry via the E-mail below.

Larry's shop is in Ontario so there will be no tax and NO extra freight on the purchase. You most likely won't find them cheaper. Thanks Larry, good price on tires and proceeds going right back to our track...that's awesome!

MG is the only 2013 Club tire (besides kid kart and Rotax) this year to fall in line with Region 6 Gold cup

and in keeping with the spirit of competition!

The prices are as follows

Set of 4 4.50 REDS (JR1) \$205.00

Set of 2 4.50 and 2 6.50 REDS (Jr2 and all senior 4 cycle) \$215.00

Set of 2 4.50 and 2 7.10 YELLOWS (shifter/rotax/tag/2stroke, note: rotax series rules are Mojo, can run either at SRK) \$220.00

Kid kart is open tire rule.
